N.B.

DepEd Order No. 012, s.2025 specified that in learning delivery modalities, the in-person learning delivery modality shall remain the primary learning delivery modality in all schools.

In the event of a declaration of suspension or cancellation of in-person classes by authorized offices due to emergencies and hazards, as stipulated in DO 22, s. 2024, Revised Guidelines on Class and Work Suspension in Schools During Disasters and Emergencies, schools and CLCs shall automatically implement EiE-ADM, following their respective Learning and Service Continuity Plan (LSCP) through Distance Learning Delivery Modalities (DLDMs), whether Modular Distance Learning (MDL), Online Distance Learning (ODL), TV-Based Instruction (TVI), Radio-Based Instruction (RBI), or blended learning.

A separate omnibus policy on flexible learning delivery will be issued to provide standards for using DLDMs for learners: (a) enrolled in schools with classroom shortages, (b) engaged in co-curricular activities for a specific period, (c) with disabilities, and (d) in other difficult circumstances.
